"ONCE UPON A CHOMP"

FADE IN:

EXT. MEZMARON TERRITORY - GLOOMY DAY

CAMERA PANS the harsh environment, PUSHING IN on Mezmaron's Lava Lair...

CLOSER ON LAVA LAIR

as the CAMERA CONTINUES PANNING, PUSHING IN STILL FURTHER on a grungy little shack at the side of the Lava Lair. It's sort of a ramshackle looking annex, made of old metal parts (perhaps fenders or corrugated steel).

SUE (VO)

This place sure is the pits!

INT. GHOST SHACK

That's right! Welcome to Inky, Pinky, Blinky, Clyde and Sue's home. If you can call it that. It looks like it's been decorated in Early American "junk yard". CAMERA PANS the shack to reveal the Ghost Monsters in comical positions: Pinky's sitting in a stack of old tires, Inky's resting in a hammock made of an old pair of long underwear, the rest are seated at a makeshift table in the center of the room.

CLYDE

Yeah! All the brilliant work we do for Mezmaron and this is what we get for it...room and board in this dump!

ON PINKY

seated in the stack of tires.

PINKY

Duh, it could be worse, Clyde!

Suddenly the tires have a "blow out" and Pinky sinks into the midst of them.

PINKY (VO)

Hmm...come to think of it, it is worse!

ON CLYDE, SUE AND BLINKY

CLYDE

I just wish there was some way we could get that good for nothin' Pac-Man!

WIDER ANGLE

as another "ghostly" form appears in a magical POOF! CAMERA PUSHES IN to reveal the "FAIRY GHOST MOTHER". She wears a little crown, has little wings, waves a little wand, and is a little dumpy! The Ghost Monsters react in surprise.

BLINKY
Wh-Wh-Who are you?

CLOSER ON FAIRY GHOST MOTHER

FAIRY GHOST MOTHER
Why I'm your "Fairy Ghost Mother!"

ON INKY AND PINKY AND FAIRY GHOST MOTHER

INKY
Fairy Ghost Mother!? I must be
dreamin'! Pinch me Pinky!

The Fairy Ghost Mother floats over to Inky.

FAIRY GHOST MOTHER
Allow me!

With a wave of her wand a giant hand appears above Inky. It grabs Inky's head and gives him a comical pinch, distorting his shape.

INKY
Yeeeeoooouuuccchhh!!!

FULL SHOT - ALL

as the Fairy Ghost Mother hovers before them, looking mean. The Ghost Monsters back up nervously.

FAIRY GHOST MOTHER
(tough)
Now do you believe me?

GHOST MONSTERS
We believe! We believe!

CLOSER ON CLYDE AND FAIRY GHOST MOTHER

CLYDE
W-W-What do you want from us?

FAIRY GHOST MOTHER
I don't want nothin'! You're the
one who made a wish!
(a bit peeved)
And it better be a good one! You
woke me up right in the middle of
my thousand year nap!

ON GHOST MONSTERS

as a look of delight, greed and mayhem comes over Clyde.

CLYDE
Did you hear that? This is our
big chance!

INKY
You mean I can finally get the
quarter for the tooth I put under
my pillow?

Inky smiles dopily to reveal he's missing a tooth.

CLYDE
No! I mean we can finally get
that good for nothin' Pac-fink!

ANGLE - FAVORING FAIRY GHOST MOTHER

FAIRY GHOST MOTHER
Oh! Pac-finks are my specialty!
I know just what you want!

With another wave of her wand a large book appears in the air
over Clyde's head. It drops on him with a **THUNK!**

CLOSER ON CLYDE

as he holds the book up, looks at it. On the cover are the
words: MOTHER GHOST RHYMES.

CLYDE
Mother Ghost Rhymes? A book of
fairy tales isn't exactly what I
had in mind.

The Fairy Ghost Mother floats into shot over Clyde.

FAIRY GHOST MOTHER
That's no ordinary book, air head!

FULL SHOT - ALL

FAIRY GHOST MOTHER
All you have to do is read it aloud
and the stories will come true! Then
you'll get your pac-fink, but good!

She waves her wand over the Ghost Monsters and they all vanish
in a magical sparkle. PUSH IN on her...

FAIRY GHOST MOTHER
That's if they can read!

PAC-WIPE TO:

CLOSE ON PUTTER AND POWER-PELLET

PAC-MAN (VO)
(mock narration, whisper)
It's down to the last put at the
Pacland Golf Tournament!

CAMERA WIDENS to reveal Pac-Man, in his backyard, putting a power-pellet on the grass. He aims at a little hole several yards away.

PAC-MAN
Pac-Man has to sink this put for
the championship and the first prize
of fifty-thousand power-pellets! He
looks cool and confident...He aims...
He putts...

Packy takes a smooth stroke at the ball. It speeds straight for the hole, when;

CHOMP-CHOMP
PAC! PAC! PAC! PAC! PAC!

Chomp-Chomp races into shot, gobbling up the ball just before it drops into the hole. Packy chases after Chomp-Chomp, waving his putter at him. (Sorry! There's just no way to write this without the double-entendres.)

PAC-MAN
Chomp-Chomp, no! Had pac-dog!

ANOTHER ANGLE ON PAC-MAN

as he takes out a new ball, places it down on the grass before him. PUSH IN as he takes a few practice strokes, then aims again.

PAC-MAN
(more whispering)
It's the eighteenth hole. If
Pac-Man can make a birdie here
he's got the tournament in the bag.
The fans are silent...Here he goes...

Packy strokes the ball o.s.

ANGLE ON HOLE

as Pac-baby crawls into shot, puts his face down on the grass, opens wide. The ball rolls right into his mouth. GULP!

PAC-BABY
(comical GULP!)
Ooo-goo...Hole in one!

ON PACKY

as he rubs his face in exasperation.

CLOSE ON GOLF BAG

as Packy enters shot, takes out another ball. This one is slightly bigger than the others. WIDEN as he places the ball on the grass before him, addresses it.

PAC-MAN

(more whispers)

This is Pac-Man's final chance to clinch the tournament! If he drops in this thirty footer it's fifty thousand big ones! The tension is great. He makes his stroke!

Packy stokes the ball w.s.

ON SOUR PUSS

as he races for the ball.

SOUR PUSS

Ssssssl!

ON PACKY

as he holds up a remote control, gives its dial a sharp twist.

BACK TO SOUR PUSS

as the ball makes a sharp turn around him.

ON PAC-BABY

He tries to swat the ball to a stop, but it races a zig-zag course around him.

PAC-BABY

Gah-goo!

ON CHOMP-CHOMP

as he skids into shot after the ball, which takes a magical hop right over him. He reacts in surprise.

CHOMP-CHOMP

Pac-huh?

ON THE HOLE

as the ball rolls into shot, straight for the cup...stopping just a foot away.

BACK TO PAC-MAN

as presses a button on his remote control.

CLOSE ON GOLF BALL

as it suddenly comes to life, opening and closing its little packish mouth, gobbling a hole for itself in the grass. SFX: WUCKA-WUCKA.

WIDER ANGLE - ALL

Pac-Baby, Chomp-Chomp and Sour Puss look at Packy like he's crazy as he leaps up victoriously.

PAC-MAN
He's done it, ladies and gentlemen!
Pac-Man's sunk the putt!

ANGLE ON FENCE

PUSH IN then HOLD a beat...as the Ghost Monsters slowly rise in unison, peeking over the fence.

SUE
(sotto)
There he is!

REVERSE ANGLE - OTHER SIDE OF FENCE

as the Ghost Monsters duck down.

CLYDE
(sotto)
Okay! According to our Fairy
Ghost Mother all we gotta do is
start readin' from the book and
Pac-Man's in for big trouble!

PUSH IN as Inky reaches into his ghost suit, takes out the book, holds it up before him.

INKY
(sotto)
Here goes nothin'...
(starts to read)
Hecksa jiffle sin rammer flange! Huh?

CLYDE
You've got it upsidedown, termite brain!

Clyde grabs the book, turns it right-side-up, hands it to Blinky.

CLYDE
Here! You read it, Blinky!

CLOSE ON BOOK

There is a picture of a large beanstalk. Above it is the title: THE ADVENTURES OF PAC AND THE BEANSTALK.

BLINKY (VO)
(reading)
The Adventures of Pac and the
Beanstalk!

FULL ON GHOST MONSTERS

They are all gathered around Blinky as he continues to read...

BLINKY
Once upon a time...

There is a MAGICAL RIPPLE EFFECT and we cut to:

PAC-MAN IN HIS BACKYARD

about to putt once again when Ms. Pac steps out onto the porch.

MS. PAC
Oh, Packy!

Packy hits the ball just as she talks, flinching. He makes a large divot in the grass, chipping the ball over the fence. There is a LOUD O.S. CRASH!

PAC-MAN
(startled)
Wha...?

CLOSER ON MS. PAC

as Pac-Man enters shot. She hands him some coins.

MS. PAC
Would you go down to the market
for me and buy a dozen power-pellets?

PAC-MAN
Sure thing, Pepper!

Packy exits.

PANNING WITH PACKY

as he walks down the sidewalk.

PAC-MAN
(happy whistling)

He suddenly runs into a strange looking old man whose face is hidden beneath a hat brim, and whose coat drags on the ground.

OLD MAN (INKY)
Hello there, sonny! I'll bet
you're on your way to the market!

PAC-MAN
That's right! How'd you know?

CLOSER ON OLD MAN

OLD MAN
Simple! I read the book!

INSIDE THE OLD MAN DISGUISE

we see Inky seated on Clyde's shoulders. Clyde gives Inky an angry poke.

CLYDE
(sotto)
Cut the wisecracks, Inky...and
get on with the story!

BACK TO PACKY AND OLD MAN

PAC-MAN
It was nice talkin' to ya, but
I gotta go buy some power-pellets!

As Packy starts to leave the old man stops him.

OLD MAN
Wait! I've got something better
than power-pellets.

PUSH IN as the old man holds out a handful of glowing power-pellet BEANS!

OLD MAN
They're power-pellet beans!

WIDER ANGLE

OLD MAN
All you have to do is plant them
and you'll have more power-pellets
than you can chomp!

PAC-MAN
(hesitant)
You sure?

OLD MAN
Cross my heart!

The old man crosses his heart.

INSIDE THE DISGUISE - ON CLYDE

as Inky's finger pokes through the coat, comically poking Clyde in the kisser.

BACK TO PACKY AND OLD MAN

PAC-MAN

Okay, mister...you gotta deal!

Packy hands the old man the coins, takes the beans and walks back o.s. PUSH IN on the old man as the coat opens and Clyde peaks out.

CLYDE

And you got trouble, Pac-Man!
(snickers)

INT. KITCHEN - ON MS. PAC

She's at the sink, baking something. Packy enters shot.

MS. PAC

Back so soon! Where are the
power-pellets?

PAC-MAN

I got something better than
power-pellets, Pepper...

PUSH IN as Packy holds up the power-pellet beans, dropping them into Pepper's hand.

PAC-MAN

They're power-pellet beans!

WIDER ANGLE

MS. PAC

(annoyed)

Oh, Packy! These'll never work
in my recipe! I'm making power
pellet pie, not pac-chile!

She tosses the beans out the window.

ANGLE ON GRASS

Sour Puss is curled up beside the hole that Packy was putting into. Suddenly Sour Puss reacts as the power-pellet beans roll into shot, right into the hole! PLINK-PLANK-PLONK! PUSH IN as the SCENE BEGINS TO RUMBLE. Sour Puss does a wide-eyed take, racing o.s.

SOUR PUSS

Rrrrrroooooowwwrrrrrr!!

Suddenly the grass breaks open as a giant beanstalk grows up out of the ground, rising o.s. There are power-pellets on it.

Look! It's workin'!

DRAMATIC UP ANGLE

as the beanstalk grows up into the sky.

CLOSER ON BASE OF BEANSTALK

CLYDE

Okay, Blinky...read the next part!

PUSH IN as Blinky holds up the book, looks at it.

BLINKY

it says here that Pac climbs up the stalk and meets a giant!

CLOSER ON SUE AND BLINKY

BLINKY

G-G-Giant!? I ain't goin' up there!

He tosses the book, starts to run. Sue grabs him by his ghost suit, holding the suit in place. Blinky's eyes pop off his suit, racing o.s.

SUE

Keep your ghost suit on, Blinky...
We're in control of this story,
remember?

A beat...then Blinky's eyes come back into shot, sticking back onto the suit, blinking nervously.

Follow me!

Clyde leads the way as they climb up the stalk, o.s.

INT. KITCHEN

Packy and Ms. Pac look out the window, reacting.

PAC-MAN

It must go up for miles.

EXTREME UP ANGLE - BEANSTALK

It spirals upwards into the clouds.

MS. PAC (VO)

I wonder where it leads to!

BACK TO PACKY AND MS. PAC

PAC-MAN

Come on! Let's find out!

Packy and Ms. Pac start to climb up the stalk. Pac-Baby and Sour Puss look on. Chomp-Chomp jumps up-and-down excitedly.

CHOMP-CHOMP

PAC! PAC! PAC! PAC! PAC!

UP ANGLE ON BEANSTALK

as Packy and Ms. Pac climb up towards the clouds. PUSH IN PAST them and...

DISSOLVE TO:

THE CLOUDS

CAMERA PANS the clouds, HOLDING on the beanstalk which pierces the fluffy cloud layer, ending just a few feet above it. PUSH IN as Packy and Ms. Pac climb into shot. They hop off the stalk, reacting to something they see o.s.

PAC MAN

Wow! Look at that, Pepper!

THEIR POV - GIANT'S CASTLE

sticking up out of the clouds.

PAC-MAN (VO)

It's a giant castle!

BACK TO PACKY AND MS. PAC

MS. PAC
(suspicious)
There's something awfully familiar
about all of this!

PAC MAN
Aw, there's nothing to worry about,
Pepper! Let's take a look!

CLYDE
That's our cue! It's time for
the giant!

PINKY
One giant, comin' up...

Pinky takes a deep breath, closes his mouth, blows. His eyes bug out, then he grows...and grows...and grows...until he's ten times taller than the others.

PINKY
(bellowing)
Dis big enough, Clyde?

His words blow down on the others like a "sonic boom" knocking them all o.s. with a swirling gust of wind.

Packy grabs the end of the mop, gives it a push. The mop plops out of the bucket, sloshing onto the floor and sending a splash of sudsy water O.S.

PANNING WITH GIANT PINKY AND GHOST MONSTERS

PINKY

Duh, hit the brakes, guys!

INKY

Hey, fellas! I found it!

FULL SHOT - ALL

Betcha can't guess which one
she's under, Pepper!

Pepper points at the left cup.

MS. PAC
That one!

Packy lifts it up. Nothing.

PAC-MAN
Nope!

She points to the right one. Packy lifts it. Nothing!

PAC-MAN
Wrong again!

MS. PAC
Hmmm! I wonder which one she
could be under!

Suddenly the center cup starts to slowly slide away. Packy and Pepper look at it, then at each other.

PAC-MAN
You don't think she could be
under that one, do you?

MS. PAC
There's one way to find out!

CLOSER ON THIRD CUP

He dives into the salad.

CLOSER ON INKY

He sticks out of the lettuce, reaches into his ghost suit, takes out a large marachino cherry, puts it onto his head with a strap under his chin.

INKY
I always new my marachino cherry
hat would come in handy some day!

He ducks down into the salad. Only the cherry shows.

WIDER ON SALAD

PAC-MAN
 Ya know something, Pepper?

MS. PAC
 What's that, Packy?

PAC-MAN
 I think he's right!

as the tiny Packy and Ms. Pac race out the door. Pinky and Blinky are a beat behind. SFX: CHASING SOUNDS.

EXT. ON CLOUDS

as Packy and Pepper race over the clouds, headed for the top of the beanstalk.

PAC-MAN
 Hurry, Pepper! We've gotta get down the beanstalk!

ANGLE ON TOP OF BEANSTALK

projecting up through the clouds. Packy and Pepper race into shot, diving onto the stalk, sliding down through the clouds. A beat...then the giant Pinky and little Blinky race into shot, jumping onto the beanstalk and following.

DRAMATIC DOWN ANGLE - BEANSTALK

as Packy and Pepper scoot down through the leaves and glowing power-pellets. Pinky and Blinky shoot down into shot right behind them.

PANNING WITE PINKY AND BLINKY

Blinky is trailing. He looks at the book as he goes.

BLINKY

Hey, Pinky! There's s-s-somethin' you oughta know about the end of this story!

PINKY

Not now, Blinky! I'm gonna get me that Pac-creep!

ANGLE ON BASE OF BEANSTALK

as Packy and Pepper race off the stalk, stopping beneath it. Pac-Baby, Chomp-Chomp and Sour Puss are waiting.

CLOSE ON PAC-MAN

MS. PAC

Quick! Everyone! Start chomping!

BACK TO SCENE

as everyone starts to **CHOMP** at the base of the stalk with a wild **WUCKA-WUCKA-WUCKA!**

PANNING WITH PINKY AND BLINKY

BLINKY

But, Pinky! It says here that Pac cuts down the b-b-beanstalk!

Pinky suddenly stops on the stalk. He grabs the book from Blinky, looks at it closely, reading for a beat. He looks up at little Blinky nervously, then they both look down o.s.

ON PACKY AND FAMILY

as they continue **WUCKA-WUCKING!** the base of the stalk until there's practically nothing left. They back off as we hear the sound of **RIPPING TIMBERS**. The beanstalk starts to tilt...

PAC-MAN
(a shout)

TIMBER!

ON PINKY AND BLINKY

as they, and the beanstalk drop down out of shot!

PINKY/BLINKY
Yeeeeeeiiiiiiiiiiiiiiiiiii!!!

DRAMATIC UP ANGLE - ON BEANSTALK

The towering stalk falls straight down TOWARD CAMERA like a rope that's been cut loose from above.

ANGLE ON GROUND

as the beanstalk and Pinky and Blinky fall into shot with a SHUDDERING THUD. Pinky and Blinky's ghost suits vanish, leaving only their eyes (and Pinky's eyes are still giant).

CLOSER ON GHOST EYES

as Pinky and Blinky join the others. Suddenly the Fairy Ghost Mother POPS into shot, hovering over them.

FAIRY GHOST MOTHER
Pretty good story, huh?

The eyes all stare at the Fairy Ghost Mother with "daggers". The Fairy Ghost Mother nervously backs off as the ghost eyes move toward her. SFX: ANGRY GHOST EYES.

FAIRY GHOST MOTHER
(nervously)
Now just a minute, fellas...how 'bout another fairy tale? Packy in Wonderland? Goldie Locks and the Three Pac-Bears?

The Fairy Ghost Mother suddenly speeds off with the ghost eyes streaking after her...

BACK TO PACKY, MS. PAC AND PAC-BABY

The three of them are sitting on the beanstalk stump in the backyard. Packy holds the story book, reading to the others.

PAC-MAN
...and after Pac cut down the beanstalk he and his family lived happily ever after.

Packy closes the book. Suddenly Sour Puss races through shot, followed by a frenzied Chomp-Chomp. They tear right over Packy, knocking him off the stump. The book pages fly.

SOUR PUSS

Ssssssss!! Rrrrrroooooowwwwrrrr!!

CHOMP-CHOMP

PAC! PAC! PAC! PAC! PAC!

The story book pages gently rain down over Packy and the others as we...

IRIS OUT
